

Let's work together to create your live edge masterpiece.

Our in-store process is designed to help you bring your vision to life with ease. Here's how it works:

1

Choose the perfect size.

How many people do you want to seat at your table?

2

Select your ideal base.

Choose from a variety of base styles that best suit your design and functional needs.

3

Pick your wood grain.

Scan this QR code to see our selection, or visit fraserwoodelements.com/live-edge.

4

Choose your finish.

Use our in-store guide to select the finish that will bring out the best in your live edge. From natural oils to more polished finishes, we have options that fit any aesthetic.
